Week 2: DOM Manipulation · Lesson 11 ·

Lesson Notes

Discussion (5)

Collect underpants, ?, Profit

Using the web can feel a lot like magic. You click around and/or type into your browser, stuff happens behind the scenes, and you (ideally) get the result you want! If you watch South Park, this might remind you of the infamous Underpants Gnomes, who steal underpants to make profit, but have no idea about step two....

Solving problems with code is all about discovering step two. Get it?
